How the LEA will Ensure Continuity of Services?

We are open for in-person instruction for all students. Staff members keep Google Classroom up to date for any quarantined students. Western will implement strategic actions to improve student outcomes using benchmarks, on-going data analysis and adjusting services when necessary.

Students' Needs:

Academic Needs	All students have access to content via Google Classroom. Students are allowed as many retakes as needed for Mastery Assignments. Students at WSST participate in Mastery-based grading. Students are given the opportunity to retake mastery assignments until they can show their learning. Students have Warrior Hour time after school where they can receive targeted tutoring in classes where they have not passed a mastery assessment. In addition- we have intervention classes in the Middle School classes that allow for additional learning opportunities for students that is personalized and targeted for their needs.
Social, Emotional and Mental Health Needs	All students have access to a "need to talk" button on their Chromebook. This will get them access to a member of our

	counseling team at school or virtually if quarantined.
Other Needs (which may include student health and food services)	Food is provided here on campus for students attending in person and students who are quarantined are able to pick up meals to take home.
Staff Needs:	
Social, Emotional and Mental Health Needs	We provide EAP for staff via our benefit plan. We offer meditation Mondays for staff. We also provide space on campus for EAP sessions.
Other Needs	N/A

The LEA must **regularly, but no less frequently than every six months** (taking into consideration the timing of significant changes to CDC guidance on reopening schools), **review and, as appropriate, revise its plan** for the safe return to in-person instruction and continuity of services **through September 30, 2023**

Date of Revision	August 25, 2023
Public Input	
Describe the process used to seek public input, and how that input was taken into account in the revision of the plan:	We used a parent survey and staff survey to seek input on public's comfort level with removing the mask mandate.
